ELIGIBILITY

This event is open to the VX One class with all female teams. Teams who have their own VX One, or ability to source their own boat, are encouraged to do so in an effort to keep as many charter boats available as possible.

BOAT AVAILABILITY

There are three different ways to enter this event:

- 1) Enter the available boat lottery – NOW CLOSED
- 2) Charter a boat for a fee
- 3) Bring your own boat

REGISTRATION

Registration will open on May 3, 2023 at <https://www.vxone.com/newport>. At that time, please register and indicate if you are able to supply your own boat, or wish to be included in the

lottery. The registration fee is \$250, however payment is not required for all teams until after the lottery takes place on June 1. A preliminary scratch sheet will be posted June 5 following the lottery, and registration will remain open through August 15.

TEAMS

The ideal VX One crew weight is between 400-430lbs. Teams from 350lbs-500lbs have been competitive depending on wind conditions. If you are interested in the event, but would like help finding a team to sail with, or a boat to charter, please email Ian Maccini –
